ALTAR'D STATE

It was an honor for us here at Altar'd State to take part in raising awareness with our guest and employees for all the great work the Coalition to Save Hempstead Harbor is doing in our community. We were able to raise over \$7,000 over two months through our Mission Monday partnership as we donated 10% of our profits every Monday over the course of time. It has been a pleasure and we wish you all the best and we look forward to another amazing partnership in the future.

Congratulations, Coalition to Save Hempstead Harbor for 35 years of protecting and restoring our local waters and environment...and here's to the next 35, we need you now more than ever!

“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that has.” —Margaret Mead

From the very beginning, we shared a vision of making our community better: Better Food, cleaner air, water, and soil. Thank You to the Coalition for all you do.
Congratulations on this 35th Anniversary!
