Dear Friend,

We are excited to invite you to kick off the start of summer with us at our first ever **Coalition to Save Hempstead Harbor Summerfest!** This exciting new event will be held on Monday, June 20, 4-9 pm, at the Sea Cliff Yacht Club. This *first ever fundraising event will feature live music from Trilogy, a delicious SCYC barbeque, local beer, fresh Long Island oysters, beach art, optional kayak, sailing and a special boat launch Eco-Tour of the harbor open to all.* This event will help CSHH provide another season of stewardship for Hempstead Harbor, and your help in making this event a success will have a lasting impact for generations to come.

As part of our **Summerfest**, we are seeking sponsors and donors to support our work. By participating in this event at any of the levels listed below, you will help CSHH build groundbreaking programs, drive organizational sustainability, and build community awareness and engagement to address environmental threats now and into the future.
